

Family PACT: Reimbursement for Non-Physician Medical Practitioners (NMP) Services

familypact27

1

This section outlines guidelines for billing Family PACT (Planning, Access, Care and Treatment) services rendered by Non-Physician Medical Practitioners (NMP).

NMPs, including nurse practitioners and certified nurse midwives, may participate in Family PACT as enrolled providers if currently enrolled and in good standing with Medi-Cal. (See the *Family PACT: Provider Enrollment [familypact2]* section in this manual for more information.) NMPs also may render program services as an employee of an enrolled Family PACT provider.

NMP Reimbursement

NMPs may be reimbursed for the full scope of core Family PACT services (except female and male sterilization), including the following:

<u>CPT-4 Code</u>	<u>Description</u>
54050	Destruction of lesion(s), penis (eg, condyloma, papilloma, molluscum contagiosum, herpetic vesicle), simple; chemical
54056	cryosurgery
54100	Biopsy of penis; (separate procedure)
56501	Destruction of lesion(s), vulva; simple, any method
57061	Destruction of vaginal lesion(s); simple, any method
57454	Colposcopy (vaginoscopy); with biopsy(s) of the cervix and/or endocervical curettage
57460	with loop electrode excision procedure (LEEP) of the cervix

For more information see the *Family PACT: Benefits Package – Services and Procedures [familypact16]* and billing code lists *[familypact19 – 21 and familypact 23 – 25]* sections in this manual.

FQHCs, RHCs and LA Waiver: Reimbursement for NMP Services

Family PACT providers with a Health Access Programs provider number (Federally Qualified Health Centers, Rural Health Clinics and LA Waiver projects) that bill for Family PACT Program services may be reimbursed for services rendered by NMPs. For more information about NMPs, refer to the *Non-Physician Medical Practitioners (NMP)* section in the appropriate Part 2 Medi-Cal provider manual.
